Keeping Our Children Safe

An information leaflet for
visitors, parents and
carers.

What do we do to keep our children safe?

DBS CHECKS

All staff, including supply staff, regular visitors, students, tutors for after school clubs and volunteers are subject to DBS (Disclosure and Barring Service) checks. This is to ensure that unsuitable people are prevented from working with children.

New staff are recruited following procedures outlined in "Safeguarding Children and Safer Recruitment in Education." Jan 07.

There is always someone who has completed the Safer Recruitment Training on every interview panel.

"There can be no issue of greater importance to parents and carers, or to school, than the safety of their children; safeguarding remains high on Ofsted's agenda and will continue to do so." Ofsted (2011) Safeguarding Schools; best practice.

GOVERNING BODY

Safeguarding is a collective responsibility for the whole of the Governing Body.

The Governors with named responsibility for Safeguarding are...

Mrs Sajda Butt

and
Mrs Keri Sheckler

IDENTITY BADGES

School staff wear identity badges signifying their position in school.

Visitors are asked to wear their visitors badge in a prominent position at all times.

PHOTOGRAPHS

All parents are asked to give permission for appropriate photographs and short films of children to be made within their school life. Parents can refuse permission at any time.

ACCESS TO THE SCHOOL

During the working day the gates are locked and entrance is from the Butlin Street gate only. All visitors are requested to go to the office before attending to business.
