**Dignity**

Hello, my name is Mr Allen and I am the new site manager at St. Clement's. I previously worked at school in Coventry where I was also a Site Manager. I really enjoy my job as I get to fix things around school, making sure it's safe for you to learn and of course play. If you see me around school make sure to come and say hello.

I moved to England from Jamaica in 2008 and I love making things, mainly out of wood. I've made all kinds of things from sand pits, bird houses, tables and doorstops (you may even have spotted some of them around school). I love cricket, watching it live and on the tv, as well as comedy and cartoons. However, at the moment a lot of my free time is currently taken up looking after my new puppy Sid. He is a lot of work but also a lot of fun!

I'm looking forward to my time here and I want to Thank you all for making me feel so welcome.

## Safeguarding: Equality and Diversity Parent and Class Workshops

Recently, we welcomed LUV Programs to the academy and they delivered two amazing workshops for parents and children. The Equality Diversity and Cultural Acceptance workshops gave everyone the chance to discuss topics, current issues and share personal experiences.

Staff will also be taking part in a training session, which will help them support and educate children, families and the community. We continue to talk with the pupils about inclusion, diversity and kindness, and are proud of their attitudes in all discussions.

"It was brilliant. I know now we need to give people what they need so we can all get the same chance." *Yr 6 child*

"I felt good, it made me proud that we are all different. I am proud to be me." *Yr 6 child*

"I have really enjoyed it. There are prejudices out there and people only learn when they are challenged to think different." *Parent*
