Serving the local community in the name of Christ since 1859

20th November 2015

Hi everyone,

It's been a few weeks since I have written anything for the newsletter and I hope that you've been learning more about the leadership team at the Academy as each member has written about themselves. They are each a great asset to the Academy and always have the best interests of your children at heart.

School Meals

Some parents have recently come to us with concerns about some of the meals provided by our caterers, Aspens. We are aware of the situation and, with Aspens, are sorting this out urgently. From Monday we are sourcing our meals from a different location and we are confident that any outstanding issues will be addressed by this. If you have any concerns about meals at the school then please do not hesitate to contact myself.

Finally I hope you all have a good weekend and wrap up warm - they say snow is coming!

Acting Principal
