- Examination Entry Fees -
 - Public examinations not prescribed in regulations
 - Prescribed public examinations where the pupil has not been prepared by the school.
 - Resits of prescribed public examinations where no further preparation has been provided by the school.

3. The Education Act 1996 does not debar voluntary contributions being made by parents.

The Governing Body would wish to try to ensure that the level of visits and activities established at the School continue but emphasise to parents that this can only happen with their full support and that activities may either be substantially reduced or cease altogether if parents are not prepared to contribute voluntarily.

The Governing Body notes that parents are not debarred from making voluntary contributions in any situation, including those in receipt of the qualifying benefits set out in 2. above under "Board and Lodgings charges", allowing contribution towards the costs of board and lodgings if they so wish.

The Governing Body also notes that there are no restrictions on the level of voluntary contribution that can be made, nor are there any restrictions as to the use which such contributions may be put.

4. The Governing Body notes that The Education Act 1996 prescribes that:

- no charges (other than for board and lodging costs as described in 2. above) may be levied for school activities taking place or deemed to take place "in school time";
- voluntary contributions must be genuinely voluntary;
- there is no obligation on parents to contribute and
- pupils will not be treated differently according to whether or not their parents have made any contribution.

- participation in all trips and visits is voluntary and notwithstanding charging requirements parents have the right, for whatever other reasons, to choose that their children not participate.

5. The Charging and Remissions Policy for St Clement's C of E Primary Academy, Nechells will, for the time being, be as follows:

- (i) The Governors reserve the right to make charges where the law allows and as set out in 2 above.
- (ii) Individual instrumental tuition able to be accommodated at the wishes of parents will be on the understanding that parents meet the full costs involved.
- (iii) From time to time it may be possible for the costs of trips and activities to be subsidised either wholly or in part from private school funds. Parents will be so informed when these occasions arise.
- (iv) Should the Governing Body choose to hold "in school time" residential visits, remission of board and lodging costs will be provided by the school to those who are entitled and who claim.
- (v) The Governing Body have instructed the Principal to include in the school's disciplinary code that parents will be asked to meet or contribute towards the costs of damage to or loss of school property arising out of individual pupils' behaviour.
