

# The Anchor News

Serving the local community in the name of Christ since 1859

20<sup>th</sup> July 2018

I would just like to thank everyone involved in St. Clement's - pupils, family and staff - for having made working here for the past five years such a fantastic experience.

Miss Shryane will make a superb Head Teacher and I know that the Academy will go from strength to strength under her leadership. The staff are second to none and it has been a privilege to work with such committed and talented individuals, many of whom started their careers at the Academy and have developed into superb practitioners. I wish every one of them every success in their future careers, wherever life may lead them.

Miss McLeod and Mr. Davis are also leaving at this time and I would also like to wish both of them the very best of luck.

Goodbye & God Bless

Mr Ricketts - Head Teacher

## GOODBYE & GOOD LUCK

As the year comes to a close, the staff and governors would like to say a thank you and well done to all our lovely pupils and their families for their wonderful contribution to the school. This goes especially for the staff members who will be leaving us this year - Miss McLeod, a shining superstar who is moving onto to do her teacher training. We know she will be great. Also to Mr Davis, who stays mainly behind the scenes but provides an invaluable service to the school. He will still be dropping in every now and again we hope to support the school. I think that's it...no wait, and of course the children, staff and governors would like to say a big thank you to Mr Ricketts, our Head Teacher who has done wonderful things during his time his. His new school are very lucky to have him.

### - Safeguarding: Safe Areas for Playing Outside -

All children are eager to play outdoors. Playing outside provides a wonderful outlet for children to release energy but, there is always the potential for "accidents". Children need and want to take risks when they play. It is therefore important to offer children safe environments for exploring and developing their abilities. It is important to teach children how to stay safe when at home and out in the community.

Almost any environment contains hazards and sources of harm. As the Convention of the Rights of the Child state, '**Children have a right to safe environments, without the threat of being hurt!**' Unfortunately, the environments children can be exposed to pose various dangers that could lead to severe or fatal injuries.

Talk to your children about safe areas to play in Nechells.

#### Safe Areas

(park, field, soft play areas etc.)

#### Unsafe Areas

(train station, canals, factories, building site etc.)

Head Teacher: Mr Ricketts  
Deputy Head Teacher: Miss Shryane  
Assistant Head Teacher: Mrs Nizamis

Goodbye  
and Good Luck  
Year 6

What an amazing end to the year for Year 6. After achieving great success in their SATs, the children conquered their fears on a recent trip to Drayton Manor Park. Some children experienced rides for the first time and were more than confident.

Yesterday, saw the end of their time at St. Clement's with an emotional graduation followed by their class production of 'The Nechells Hoodies'. Both were amazing, I think we may have found some budding actors.

The children showed me how committed and dedicated they were and everybody thoroughly enjoyed the production. It has been a pleasure to be part of Year 6's journey and both myself and Mrs Austin-Smith wish you well for the future.

Miss Harris - Year 6  
Class Teacher

First Day Back  
Wednesday  
5th  
September
