Serving the local community in the name of Christ since 1859

25<sup>th</sup> May 2018

Dear children, parents, staff and friends of St. Clement's,

Another very busy half term has come to an end. As we think about all of the fantastic things we have all been involved in, and have a much deserved rest over next week, we also start to look towards the last half term of this academic year.

Children and families have all had lots of fun engaging in our family projects and we have been so impressed with all of the things which have been made, cooked and grown at home. A big well done to everyone who got involved.

A huge well done to the children in Year six and Year two who have completed their SATs this half term, they have all worked so hard and had applied themselves fully making the school very proud of them. It is also a real credit to the staff involved as the children were relaxed and well prepared for any challenges they faced.

I would like to wish everyone a restful and safe half term. Enjoy the break and come back ready for more exciting learning on Tuesday 5th June.

SEEMS  
IMPOSSIBLE  
UNTIL  
DIT IS  
DONE.

I would like to say a massive well done to all the Year 2 children for doing so well during their SATs tests this week. They have continued to put in 100% all week and have done the school and themselves proud.

Wishing you all a relaxing and enjoyable half term break.

## Safeguarding - Positive Relationships

At St. Clement's Academy we talk, learn and explore the meaning of 'Positive Relationships' from Early Years to Year 6. Positive relationships are a vital part of life and identifying people who bring out the best in us and help us strive to achieve more is very important.

Across the school the children are taught of how to recognise, who and what makes a positive relationship. In the Early Years and KS1 children learn about friendship and making positive choices. As children move through KS2 they are taught how to apply these skills to the wider world and community. As children prepare to leave St. Clement's we ensure we educate them on important current issues such as domestic violence, crimes against women and sexting.

There is a variety of information available online regarding all issues. BBC Bitesize has a range of videos covering many topics. Information can also be found from Birmingham Women's Aid, who work closely with us here at St. Clement's. Alternately for any advice or support please see Miss Akers.

Year 6 visited the local Mosque in Aston on Monday as part of their RE teachings this half term.

The children thoroughly enjoyed this trip and asked some very valuable and inquisitive questions.

The Imam was exceptionally enthralled by all the children's knowledge of Islam. He praised the children wholeheartedly. The children who pray were invited to pray which was lovely to witness.

A great day with exceptional behaviour from Year 6.

### Free Eye Checks....

If your child is under 16 and in full time education then they will be entitled to a free eye check and glasses if they need them.

For more information please visit your local opticians (such as Specsavers, Vision Express and Boots) who will be able to give you more information.

### School Photos...

You should have all now received your child's class photos order form.

Please make sure to **complete the form and return with the correct change** by the first day back after half term

**TUESDAY 5TH JUNE**

## Lost Property is getting out of control!

Over the half term break please can you make sure that all items of clothes that come into school have your children's name on them. The collection of unclaimed lost property is getting larger every week. Please can you also make sure that if they lose something you take the time to check lost property

**Thank you**
