Our values focus this half term is

Humility

Hello St. Clement's, for those of you who don't know me, my name is Miss Hussain.

For the last few months I have had the pleasure of working alongside year two as part of my student teacher experience. I would like to give a huge thank you to my Year 2 class, the amazing staff and all of the St. Clement's family for allowing me

to have such a wonderful experience and develop into the teacher I will become. It would not have been possible without all the support.

In year 2 we are currently reading 'The Robot and the Bluebird'. The children have enjoyed researching interesting facts about bluebirds and have created some amazing birdfeeders.

Sadly, I have finished my placement and my time here has come to an end. I will miss everyone and will hold the memories that I have made close to me through the rest of my teaching career. Once again thank you so much for making me feel

welcome. I have had a fantastic time.

Wishing you all the best for the weekend.

Let's Tackle Online Hate Together

Make sure you know how to report content on any sites or apps that you use. Don't be afraid to report any hateful posts that you see.

Show support for online campaigns against hate and 'like' posts that you see promoting positive messages.
You could leave an encouraging comment, too!

Don't respond to the people positing hate: sometimes an ongoing conflict is exactly what they want. Instead, report, block and unfollow them.

If you see upsetting messages online, talk to your friends and family about them. Maybe take a break from the app or site you saw them on.

Set a positive example through your own online behaviour. Before you post or share anything, ask yourself if you would say it to someone offline.

Remember that you have the power to shape your online world. Engage with posts or accounts that inspire kindness and connection, and block or unfollow the ones that don't.
