Learning for Life, Anchored in Christ

Safeguarding

'Working Well With Others' is something that the children of St. Clement's Academy do very well and is an important part of social and academic development.

'Collaboration' is one of the schools promoted learning behaviours and helps the children in valuing and respecting others and problem solving. The academies learning behaviours work alongside the classroom zone board.

'The Rocket' is made up of a set of colours. At the top is gold, if children finish their day in gold they get a 'Cosmic Stamp' for their award card. Below gold is silver, then bronze, then orange and finally red. All children start their day in bronze and move up the rocket by showing positive behaviour or completing fantastic work.

Behaviour not inline with the academies expectations would see children move down the rocket and appropriate consequences given. When the children have reached gold they may then go planet hopping on one of the learning planets - Collaboration, Respectfulness, Kindness, Absorption, Independence and Perseverance.

The 'Rocket' is a fun way to engage children in taking responsibility for their actions and helps them to understand their behaviour.

The behaviour and welfare of children at the academy is paramount and support can always be given.

Hi there,

For those of you who don't know me, my name is Miss Clarke-Dixon and I am the new year 4 class teacher and I am also new to St. Clement's school.

During the weekends, when I am not in school, I enjoy playing netball and staying active. What a busy week it has been! As I am sure many of you know, we have been focusing on Safety and Mental Well-being. From road safety to staying healthy, the children have been participating in a variety of activities. For example, in year 5, I know they were focusing on road and rail safety as well as learning how to use these methods of transport safely. Why not take this opportunity to ask your children about safety and well-being week?

Also, it was lovely to see many of you at the parent workshops and I would like to thank you for your participation.

A polite reminder with the uncertainty of the change of weather daily, please remember to send your child to school with a coat.

Have a lovely weekend!

Miss Clarke-Dixon

Important Notice

We return after the half term holidays on Monday 4th November at 8.45 as usual.

School will be closed on **Friday 8th November** for a Teacher Training day.

We are pleased to announce that we are able to offer a completely **FREE** holiday club in October half term.

There are lots of fun filled activities for your child to participate in. Please ensure that your child is dressed appropriately for the day as they will be outside and bring in any medication that they may require like Inhalers etc. Please remember to fill out a medical form available from the office.

Your child will need to bring a packed lunch every day, they will need a healthy snack and drink for their morning break.

This is a completely free holiday club.

To secure your child's place you will need to let the school office know by **Wednesday 23rd October.**

If you would like your child to take part in our summer holiday club then please let the office know as we have a limited amount of spaces.

We look forward to seeing you all and having lots of fun!!!

Yours Sincerely

Mr Burton
