Learning for Life, Anchored in Christ

Our values focus this half term is **Dignity**

Hello everyone!

Welcome to this week's edition of our Anchor News.

It has been another busy week. There has been lots of fun and learning throughout the school. Check out our class blogs to see what the children have been getting up to this week to keep you updated.

In Year 4 this half term, we have been learning about Romans. The children have had lots of fun making shields which is looking beautiful on our topics display.

It has been lovely having the children back into school; they have adjusted very well and are continuing to keep themselves and their peers safe.

I am currently reading a book called 'Saladin' by Geoffrey Hindley, which is a book that delves into the history of an Islamic hero

Have a safe weekend!

UNICEF Rights of the Child

Article 28:

(right to education)

Every child has the right to an education. Primary education must be free and different forms of secondary education must be available to every child. Discipline in schools must respect children's dignity and their rights. Richer countries must help poorer countries achieve this.

Safeguarding: Support and Guidance Numbers

During 'Lockdown' and over these last few weeks' people have been feeling isolated and not sure of who to turn to. We understand, with changes happening all around us, this can be an uncertain and anxious time for all. Whilst staff are available over the phone, we are having to adjust and limit face to face meetings. We still want to support our families and wider community, so that help is always found. If you need to contact school for support, please call and ask to speak with Miss Akers.
