Serving the local community in the name of Christ since 1859

20th May 2016

Please note: Award Assembly - TUESDAY 24th May 2:45pm

Hello St. Clement's,

My name is Mrs Ali and I have worked at St. Clement's for almost 10 years and love working with all the children. I have worked in all the different year groups but I particularly enjoy Early Years and Key Stage 1 (probably because of my height I don't have to look up to them!)

I enjoy reading books and encouraging the children to become better readers. Why not ask your child what their current reading book is about?

We've had a very busy week with Maths Week and Christian Aid and Islamic Relief Week, and it was great to see all the parents who attended the workshops. All the children enjoyed learning about different elements of maths. We hope that you enjoyed the charity fundraiser that was held this afternoon, we will let you know how much we raised next week.

Please take note that next week's award assembly is on Tuesday.

Wishing you all a safe and happy weekend.

Mrs Ali  
Teaching Assistant

	Naden Ahmed	Aland Muthafar
	Lyla Critchley	Manasik Ismail
	Yousuf Ahmed	Hamza Minhas
	Akram El hag	Jahmeeknes Thomas
	Amaani Azad	MH Sajad

Please note the Award Assembly is on TUESDAY (24th) next week

### Class Photo Forms - Due Next Week....

You should have all received a copy of the order form for your child's class photo. If you haven't then please speak to your child's class teacher.

To make sure all forms are sent off before half term the deadline for returning the forms to the school is **Monday 23rd May**

If you miss this deadline then don't panic, there are instructions on the forms themselves that allow you to order the photograph.

# Maths Week

This week has been a very exciting week for all in school. During 'Maths Week' this week all classes across the school have focused on 'Talk for Maths', where classes have carried out a range of tasks which have encouraged and developed their use of Maths vocabulary through speaking and listening activities.

Early Years and Key Stage One this week carried out workshops where parents were invited to come in and work with their children during interactive Maths tasks. The children and parents really enjoyed working with capacity, measuring, comparing objects by size and working with co-ordinates.

Key Stage Two worked really hard during the week to create items to sell at the Charity fundraiser, look out for photos in next week's newsletter. All kinds of great items were created from chocolate rice crisp cakes, to biscuits, piggy banks, jewellery and canvas artwork. All money raised will be donated to Christian Aid and Islamic Relief as it is also 'Christian Aid and Islamic Relief week'.

Miss McCausland - Maths Lead/Year 6 Class Teacher

# COFFEE MORNING

We will be holding coffee mornings every week and would love for you to come along and join us.

Wednesdays  
at 9.00am

in the Community Room

All parents/carers are welcome to come along and chat to us about any concerns or issues you may have.

It is also a great opportunity to meet other parent/carers from the school community.

We look forward to seeing you there.

## New Sensory Garden

The academy has created a new sensory garden in the school playground. In the quiet area near the benches children from year 6 worked hard with Mr Ricketts and Mr Davis on the garden.

The children then took advantage of the nice weather and decided on where they thought everything should go. They set about planting all the new plants and positioning the stone sculptures.

They worked really hard and well as a team to get the job done. They have done a fantastic job and should be proud.

Don't forget to follow us on Twitter and Instagram @StClem\_Nechells
