Our values focus this half term is

Service

Hello, I am Miss Akers.

I am the Pastoral Manager at St. Clement's C of E academy and one of our DSL's. I work closely with pupils and families, offering a range of support, on a variety of issues. One area I am responsible for is pupils' attendance and punctuality.

Punctuality is as important as attendance. Children need to be in school, on time, so they are ready to start their learning. This also helps children feel less anxious starting their day - there is nothing worse than turning up late and walking in after everyone else - we experience this anxiety as adults also. If you are 5 minutes late every day, you miss around 3 1/2 days of education over the school year.

Being in school is not only a legal requirement for children registered, but also the most important part of their education. They need to be in school to access their learning.

- ◆ 90% attendance means that a child will have missed around 100 lessons over a school year.
- ◆ 95% is 50 lessons missed
- ◆ 85% is 150 lessons missed
- ◆ 80% is 200 lessons missed

Every minute counts, frequent absence can add up to a considerable amount of lost learning and can seriously disadvantage your child in adult life.

If your child is unwell and cannot attend school, then please inform the school office or the absence will be registered as unauthorised and a home visit carried out in some cases.

Please ensure your child is in school, on time, every day. If you are struggling to get your child to school or have issues impacting punctuality, then please come and see me.

Our target for attendance is 97% and 0% for punctuality, I know we can achieve them!

With 1 week left before we break up for half term, let's see if we can improve our attendance and punctuality figures by being in school and arriving on time.

Hope you all have a good weekend

Miss Akers - Pastoral Manager and DSL

Illness - Scarlet Fever

It has been brought to our attention that there has been a case of Scarlet Fever in school. Please see below for more information.

The first signs of scarlet fever can be flu-like symptoms, including a high temperature, a sore throat and swollen neck glands (a large lump on the side of your neck).

A rash appears 12 to 48 hours later. It looks like small, raised bumps and starts on the chest and tummy, then spreads. The rash makes your skin feel rough, like sandpaper.

Please see your G.P

- have scarlet fever symptoms
- do not get better in a week (after seeing a GP)
- have scarlet fever and chickenpox at the same time
- are ill again, weeks after scarlet fever got better
- are feeling unwell and have been in contact with someone who has scarlet fever

Scarlet fever is very easily spread. Check with a GP before you go in. They may suggest a phone consultation.

Children with Scarlet Fever can only attend school once they have started antibiotics prescribed by their G.P and are feeling well enough to do so.

PE Times...

PE and swimming are compulsory parts of the curriculum. Children need to change into their kit to take part in PE as they often get sweaty, and it is unhygienic for them to wear the same clothes to exercise in and then wear all day.

Please take note of when your child has PE and make sure that they have the correct kit

One of our pupils, Sienna has enjoyed learning all about manging money and the economy with her Scouts Group. She was able to earn her 'Money Badge' which was awarded last week.

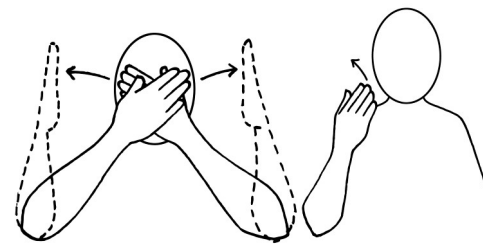

Well done on your achievement!

Year 6 History Day

On Tuesday 1st October 2022 we (Year 6) had an amazing history workshop about world war 1 (WW1) as our topic this year is Britain at war.
Aizah

Amelia L.

We had a workshop so we could explore and hear more about world war 1. It helped us in history because the person who came in knew alot about our topic and he had also interviewed a person from world war 1.

We learned what life in the trenches were like the trenches are small tunnels/holes that people built in the war to regain stamina, sleep or open gifts from home.

UNICEF Rights of the Child

Article 14: Freedom of thought and religion

Children can choose their own thoughts, opinions and religion, but this should not stop other people from enjoying their rights. Parents can guide children so that as they grow up, they learn to properly use this right.

Remembrance Day is coming up next month and we have various poppy items available from next week. The suggested donations prices can be found below.
