

Welcome to Year 5!

Learning for Life, Anchored in Christ

Inspiring happy, courageous, independent, curious and creative life- long learners. So that all achieve their full potential, striving academically and socially with humility and dignity.

Believing being anchored in Jesus Christ will guide us with hope, compassion and wisdom in becoming successful members of a global community

Welcome to Year 5!

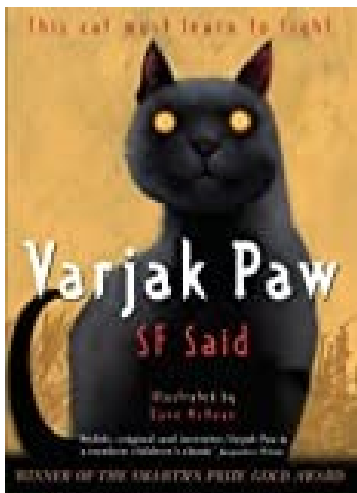

We are looking forward to seeing you in September
and can't wait to start our new exciting learning.

Your class teachers will be Mrs Price and Mrs Austin - Smith.

In year 5, each day will start with a morning task, or reading,
to get your brains warmed up while we take turns to wash our
hands and prepare for the day ahead.

One of the teachers will always be there to welcome you in so
remember to say good morning and share a smile.

This will be our class
reader for the first half
term and we will read
this

together.
Perhaps
you could

read one of these
Ancient Egyptian
stories over the
summer?

In English, we will be learning to:

- ◇ Use a wide range of conjunctions, adverbs and prepositions
- ◇ Write narratives with settings, characters and plot
- ◇ Use direct speech punctuation
- ◇ Use paragraphs
- ◇ Use apostrophes for plural possession
- ◇ Improve spelling and handwriting
- ◇ Use simple organizational devices

In maths, we will be learning to:

- ◇ Count backwards through zero to include negative numbers
- ◇ Interpret negative numbers in context
- ◇ Count forwards and backwards with negative numbers
- ◇ Count in multiples of 6,7,9,25 and 1000
- ◇ Order and compare numbers beyond 1000
- ◇ Round decimals with one decimal place to the nearest whole number
- ◇ Solve number and practical problems

In topic, we will be studying the Ancient Egyptians. We will learn to:

- ◇ Know and sequence key events
- ◇ Make comparisons between different times in the past.
- ◇ Use a variety of questions and internet for research
- ◇ Learning about key individuals such as Tutankhamun, Howard Carter and pharaohs.
- ◇ Learn all about mummification.

In science, we will be learning about Forces and to:

- ◇ Plan different types of scientific enquiries to answer questions.
- ◇ Record results using scientific diagrams and labels
- ◇ Use test results to make predictions
- ◇ Report and present findings from enquiries
- ◇ Research key facts about Isaac Newton and forces
- ◇ What gravity is and the third law of motion
- ◇ How air resistance works

You will have homework each week, including a reading book, maths and spellings.

Don't forget to bring your book bag every day and change your reading book every week.

You will also need the correct P.E. kit twice a week for P.E. We will have PE on Tuesday and Wednesday.

Have a safe and wonderful summer and we will see you on

**Wednesday 3rd September
at 8.45 a.m.**

All classes start and end times can be found on the website.
