School Closed Monday 2<sup>nd</sup> May - Bank Holiday Monday  
Tuesday 3rd May - Normal School Day

Hello Everyone,

My name is Miss Akers and I am part of the SEN and pastoral team at St. Clement's. I also work alongside the School Council in making decisions and choices to further benefit the school and pupils. Over the last half term, the school council have been focusing on safety. Working alongside Trevor Billingham, the children are aiming to have speed bumps installed along Butlin Street. They hope this will make a difference not only to the pupils of St. Clement's, but to the Nechells community as a whole. To help them in their efforts please sign our petition. You can do this by speaking to Trevor Billingham or myself.

I would also like to take this opportunity to remind you of the 'Parent Coffee Mornings'. These sessions are held by Mrs Dowling and the parent committee, in the Community Room, on Wednesday mornings at 9 am. Come along and share ideas with other parents, take part in fundraising activities and enjoy a nice warm drink and a friendly chat!

Next week in school, Year 5 are off to the Butterfly Farm in Stratford-upon-Avon, as part of their Mini-beasts topic and on Wednesday 4<sup>th</sup> May the school photographer will be in, taking class photos.

I wish you all an enjoyable bank holiday weekend. Stay safe and we will see you all at 8:45 am on Tuesday 3rd May.

Miss Akers

## Year 6 WWII trip to Coventry

On Tuesday, year 6 went to The Herbert Museum and the Coventry Transport Museum. We went there to learn more about our topic (World War Two) and the children who were evacuated for their safety and left their families behind. We saw different artefacts and pictures left from the war.

My favourite was when we went into the room to learn how Coventry was involved in the war, because they had a lot of interesting artefacts that we were able to see and touch. We visited a Morrison shelter and got to understand how people would've felt living in there for 11hrs while bombs fell from the sky above them. It was a good experience.

We saw some tanks that were used during the war too. Two of our year 6 children were lucky enough to wear evacuee's clothes, which are still in good condition. We experienced how people would've felt in the Blitz too in our Blitz experience tour.

I thought it was a fantastic trip to learn a lot about our topic and how Coventry was involved in the war.

## Well Done Pam....

Last week on Friday afternoon, the end of assembly was dedicated to Pam Fyffe who this April reached a milestone of 30 years service to St. Clement's!

While it was difficult, we managed to keep the assembly a surprise, even with a lot of children asking Pam "Are you leaving?". Thinking this was the reason for the assembly.

The children had worked and presented Pam with cards, memories, poetry, and pictures. These go a small way to expressing how thankful we all are to Pam for her hard work and dedication to the school in particular during both dinner time and Breakfast Club (something she set up 16 years ago in 2000).

As we reached the end of assembly, Pam stood to say a few words about her time here, and there was one line that sticks with me most and represents the passion Pam still has and promises to have.

"I'll be the last one standing. I've seen them come and I've seen them go."

Pam, here's to the next 30 years! - Miss Greene (General Admin)
