1. Aims

This policy aims to:

To provide all pupils with fair and equal opportunities to achieve and excel in all areas of the curriculum; using and applying the most effective pedagogy, (see Learning & Teaching Policy), supported by use of additional, delegated funding.

To work in partnership with families and pupils eligible for pupil premium, to plan, monitor and evaluate support and intervention in order to secure individual progress and achievement.

To work with external partners and organisations to provide additional support for the social, emotional, health and wellbeing of all pupils with potential barriers to learning and achievement.

To ensure governors fulfil statutory responsibilities to make effective use of pupil premium funds in order to impact positively on pupils' achievement and attainment.

2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what academies should publish online](#), and complies with our funding agreement and articles of association.

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

In 2011-2012 the Government introduced the Pupil Premium Grant (PPG), which is additional to the main school funding. Schools are held accountable for how they spend the PPG to support pupils who receive this extra funding. For the current academic year (2018-19) primary schools will receive a sum of £1320 for any child who had been in receipt of free school meals (FSM) any time during the last 6 years. Additionally, children who have been in care (CLA) are supported by a grant of £1900. Numbers eligible for support may

change through the year but funding does not necessarily change. The Department for Education states that: “schools, head teachers and teachers will decide how to use the pupil premium allocation, as they are best placed to assess what additional provision should be made for individual pupils.”

We have used data comparisons and our extensive knowledge of our school community and need alongside existing research and publications including advice from the OFSTED good practice series to support and enable us to make decisions about expenditure and the effective use of our pupil premium funding.

We ensure that teaching and learning opportunities meet the needs of all of the pupils.

We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.

In making provision for socially disadvantaged pupils, we recognize that not all pupils who receive free school meals will be socially disadvantaged.

We also recognize that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.

The overall aims of our pupil premium strategy are:

- To reduce attainment gap at Key Stage Two greater depth, between the school's disadvantaged pupils and others nationally
- To raise the in-school attainment of both disadvantaged pupils and their peers
- To meet the needs of the whole child, with a focus on their social and emotional, mental health issues

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online.

Information on how the school uses the pupil premium is available here:

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception – Year 6.

Eligible pupils fall into the categories explained below.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

5.3 Post-looked after children
