Learning for Life, Anchored in Christ

Hello,

My name is Mrs Morris and I am the currently teaching in year 4. So while I may be new to St. Clement's I have over 20 years teaching experience! I have worked in a variety of schools and across many year groups. I have taught the little ones in Reception, right up to children in year 5 and have enjoyed it all. I feel very fortunate to be at St. Clement's and look forward to all the fun activities planned over the coming weeks before Christmas.

In year 4 we have been learning about mountains and where they are found across the world. To do this we have been conducting research and making use of our class atlases.

I would also like to say Thank you to all the parents that came and supported our class assembly yesterday afternoon. It meant a lot to the children and we hope you enjoyed it as much as they did performing it.

Thank You

We would like to say a big **thank you** to everyone that took part and either wore their pyjama's, bought cakes or both last Friday. Your continued support means a lot and with your help we raised

£200

for Children in Need and Stand Up to Cancer.

Dear Parents,

Last week we talked about road safety especially when walking by roads in the dark. This week we would like to ask you to reflect on the easiest ways to keep your child safe. Walking alone in the evenings can be unsafe for anyone for a number of reasons, especially in winter.

With this in mind, we will not allow pupils who attend tournaments to walk home on their own, as this is much later than the end of the school day. We hope you appreciate that this is out of concern for the safety and well-being of the children.

Safeguarding:

Good Self-Image

When children feel good about themselves, it sets them up for success — in everything from school to friendships. Positive feelings like self-acceptance or self-confidence help children try new challenges, cope with mistakes and build resilience. Feeling 'proud' helps children achieve.

Children who have a healthy self-image:

- * Feel valued and accepted by important people in their lives.
- * Feel confident that they can do what's expected of them in a variety of situations.
- * Feel proud of their achievements - no matter how small.
- * Think good things about themselves.
- * Feel prepared for everyday challenges.

Here at St. Clement's Academy we work to build 'positive self-image' by celebrating successes, creating a safe environment, sharing praise and developing interests, encouraging real life experiences, expressing emotions and ensuring our values underpin all that we do.

If you would like more information on raising self-image and its importance, then please see Miss Akers or visit 'Kids Health' website.
