1 Week to go... School will start back on Wednesday 2nd September 2020

Nursery & Reception Parents: please check your class Welcome pack for confirmation of which day/hours your child be starting

Due to Covid-19 precautions and Government guidelines, there will be staggered start and end times for school and assigned gates for different classes. Which you can find on the left. These will be in place for at least the first half of the Autumn term.

Any families that have siblings in more than one year group can all arrive together at the earliest start time and will leave at the latest start time. Please look out for more information. If you have anything you feel you need to share about your child prior to their return to school, you can call the office to speak to their class teacher.

Parents/ children **will not** be permitted to walk through site and must enter and exit through their own gate only. We apologise in advance for any inconvenience this may cause but we must follow the guidance given and hope that this is a temporary measure.

Other changes you may notice;

Parents will only be allowed on site by appointment. Any queries you may have, we ask that you phone or email the office only.

Please adhere to social distancing at the gates, we are all role models to the children. Teachers will be at the gates to open them at the appropriate time and they will close after 10mins. Please be punctual. If you are late please come to the Butlin Street entrance and buzz the office.

Breakfast Club will start at 8:15am on **Monday 7th September 2020**. There will be limited spaces and a booking system in place. Initially, this will prioritised working parents and we will extend the spaces as soon as is manageable. More information will be shared during the first week back.
