Forgiveness

Hi everyone,

My name is Miss Bennett and I'm a new member of staff at St. Clement's. I'm a teaching assistant based mainly in year 1.

I have really enjoyed getting to know the staff and children over the past few weeks, everyone has been really welcoming and friendly.

The children have really impressed me with how polite and kind they are.

In my spare time I like to go to the cinema, watching movies is one of my favourite things to do! I also enjoy going to the gym and I'm a huge fan of Disney!

I'm really looking forward to experiencing more of this wonderful School.

Hope you all have a good weekend - don't forget to spend your World Book Day vouchers!

Safeguarding...

You don't need to be the biggest football fan in the world to have heard of the Fédération Internationale de Football Association (FIFA) - the governing body for football. And, the video game series bearing the organisation's name is one of the most successful ever. The lure of this football series is that licensing gives your child the opportunity to play games in the role of their favourite players. They can either work through a story mode version of the game or play online in competitions against other players. The game, released annually by Electronic Arts under the EA Sports label, is available for a range of consoles, and there are also mobile versions available for smartphones and tablets. The most recent version is FIFA 19, but FIFA 20 is due for release later in the year.

What Parents Need To Know

In Game Chat: While the FIFA video game is suitable for children of all ages as it does not include any inappropriate content, there is the issue of in-game chat. Your child can play with other people online and chat with them using headsets. As this is largely unregulated, it could mean that your child is exposed to language or conversations that you deem unsuitable.

FIFA Game Play: The FIFA series has been criticised for the competitive nature of game play leading to aggression in some players. Add to this the chance to converse with other players via in-game chat, and the potential for anger levels is likely to rise... especially if you're losing heavily!

Fake Emails and Scam Websites: Your child may receive an email or see a message on social media or in forums which appear to be a genuine FIFA promotion. While the link may seem like a FIFA login page, it's a phishing scam to capture a login name and password. Scammers may use names that sound legitimate, like 'EA Admin' or 'FIFA Developer.'

Look at all the fun we have had this week!

Book Week
4th - 8th
March

St. Clement's Book Week 4th-8th March

World Book Day Fancy Dress and Reading Together

Book in a Jar Competition

The entries we have received this week have been amazing and will make it very difficult for us to pick our winners, who will be announced in Monday's Celebration Assembly.
Good Luck to all that have entered.

Meet the Author

To launch World Book Week we were lucky enough to have a visit from the author John Dougherty, famous for the Stinkbomb and Ketchup Face series. He entertained children from Nursery to Year 6 with his guitar, funny songs and stories about his characters. At the end of the day, there was a book signing where children had a chance to meet the author in person and have a book signed. Children thoroughly enjoyed the day and were hopefully inspired to tuck into a good book.

Don't forget to spend your World Book Day voucher!

World Book Day Donations...

There was a mistake on last week's newsletter and no contributions were needed for World Book Day costumes. Anyone who did bring in a donation will not have to bring a donation to dress in red on next Friday (15th March).

Spelling Bee

Well Done to all the children that took part in last term's Spelling Bee. Children from each class were narrowed down to 4 through heats within class. They all did really well and should be congratulated on their efforts. We will be holding Spelling Bees every half term, so make sure to look out for more information nearer the time.
