

The Anchor News

Serving the local community in the name of Christ since 1859

20th April 2018

Welcome back everyone, I hope that you had a good Easter break.

Finally, the hot weather has arrived and I would ask that you all ensure that your children have appropriate clothing to ensure that they do not overheat. Summer hats and sun-cream, which can be applied prior to them coming school or by themselves whilst at school, are essential if the temperature continues to rise. At the Academy we always make sure that the children have access to water so that they can stay hydrated.

Could I also draw your attention to the 'Family Projects' (more information on the back) that we are going to be sending home with your child each half-term. They are intended to be a fun way of engaging with your child's education. I fully understand that you may be busy, but would ask that you try to make time for this initiative if at all possible. I look forward to seeing the results!

Mr Ricketts - Head Teacher

Safeguarding School Gate Opening Times.

For safety reasons the school gates will be set to an automatic timer and will only be open at certain times. This is to ensure the safety of all pupils and staff at the Academy. There will be no change to morning access. If you arrive before the following times, please wait off site for the gates to open.

Nursery collection

Gates to open at 11.40am

End of day collection

Gates to open at 3.10pm

If access is required out of these times please use the buzzer on the gate for the attention of office staff.

Reading Together

Reception Weekly Reading Session Every Friday 8:45am - 9:15am

Reception Parents we would love for you to come in and spend some time sharing a book with your child and helping them choose their library book for the week.

We will be around to give support and teach you new skills that you can use to help your child with their reading.

Miss Doal and

Miss Styles

Family Projects are a great way for you to get involved in your child's learning.

Each half-term teachers will be sending home a practical project for your child to complete with yourselves if you choose to get involved. It could be making a space rocket or creating a new board game, or linked to more seasonal projects such as designing an Easter egg or Christmas decoration. Whatever it is it will be linked with a topic being studied in your child's class that term or half-term.

At the end of each term we will display these and put them on our class blogs and Instagram so that they can be celebrated - they may even end up in the Academy's newsletter!

Please keep an eye out for the letter from your child's class teacher letting you know what the latest Family Project will be. I look forward to seeing the results!

Mr. Ricketts

Mohammed Islam and Musab Ibrahim

Rehaan Ali and Azaan Khan

Humayra Azad and Eliza Shafiq

Hiba Akhter and Declan Chen

Jaleel Warrican and Zara Hasan-Somed

Dhakiyah Warrican and Raqeeb Muhammad

Adam Khan and Dhakiyah Warrican

WOODLANDS ADVENTURE

This week children from years 3, 4 and 5 have enjoyed fun-filled activity days at Woodlands Adventure in Walsall. The children and the teachers took part in Archery, Canoeing, Zip Wire and an Assault Course.

It was a long day but passed quickly as everyone enjoyed themselves while getting very wet and dirty in the mud! Above you can see photos from their adventures and more can be found on our school blog.
