Serving the local community in the name of Christ since 1859

10th October 2016

Hello Everyone,

My name is Mr Cowley and I have been working with computers for around 4 years now and really enjoy using them. I started here as the ICT Network Manager at the beginning of September and I split my time between St. Clement's and another school, working here half a day on Tuesdays and all day Friday.

I have really enjoyed my first month working at St. Clement's and every member of staff has made me feel welcome. The children are all friendly and are a joy to work with making my job easier. Overall I look forward to my time here at St. Clement's and can't wait to see what opportunities and challenges my new job will involve.

I hope that you all have a good weekend and don't forget to be prepared for your school photos on Monday.

## Well Done St. Clement's!

We have successfully achieved the Unicef UK Recognition of Commitment (ROC) for our rights-respecting work.

We received our certificate this week and have started to put the ROC logo on our paperwork to share with everyone our achievement. This is just the start in our Rights Respecting journey and we aim to work towards achieving Level 1 Award within the next year.

We have elected this year's Unicef committee and a new photo will be coming soon (keep a look out on the blog). If you have any questions or would like some more information then please contact me.
