8th September 2023

#LearningforLifeAnchoredInChrist

Our values focus this half term **Dignity**

I hope everyone had a great summer. It was so lovely to see all the children and their families back at school this week. Everyone looked so smart and eager to learn. We have had a good week, spending time thinking about being ourselves and about our personal aims and goals as well as building relationships with friends, new classmates and new teachers. We have also started thinking about our School values as well as British values and what these look like in everyday life.

I would like to say a special welcome to our new Reception children and their families. It is great to see new additions to our St Clement's family.

During the week commencing 18th September, we are holding our meet the teacher evening, where you can meet and chat with your child's teacher and find out about the expectations of their new year group. A letter will be sent home next week with more information.

Miss Shryane - Head Teacher

## School Lunch Accounts

Dear Parents and Carers,

Have you signed up and registered to our new lunch ordering system?

**You will need to sign up and register, even if your child receives Free School Meals (FSM).**

With the new system you need to credit your child's account in advance of ordering. You then need to pick your child's lunch options for each day. You can do this daily, weekly or in advance, the choice is yours. However, meals will have to be **chosen by 9am every day**, if nothing is chosen the children will be given a standard jacket potato.

Over the initial first few weeks of term, teachers will be able to select lunches for children during registration, but eventually this will be left to you.

**We no longer take dinner money payments in the office. Dinner Money should be paid in advance to credit your child's account using this new online system.**

*Any question or queries please feel free to contact the school office who will do their best to help.*
