Lest We Forget

Serving the local community in the name of Christ since 1859

10th November 2017

Hello Everyone,

I am Miss Smith and I am the Year 2 teacher. This is my second year in Year 2 and the children have continued to amaze me with their wonderful imaginations and brilliant minds.

This week Year 1, 2 and 4 all went on exciting trips. Hopefully the children enjoyed their time out and will have new ideas and experiences to take back into their classroom learning.

Hopefully you all enjoyed celebrating bonfire night last weekend and didn't get too cold when looking at the pretty fireworks! This weekend it is Remembrance Sunday where we will remember all of those that have lost their lives in war.

Wrap up warm and have a fantastic weekend!

Miss Smith, Yr. 2 Teacher

**Friday
17th
November**

**SHOW YOUR
SPOTS**
Let's raise lots!

Next week on Friday we will be wearing spots to help raise money for Children in Need. Please send £1 if your child is in fancy dress/spotty clothes and £2 if they wear their own, non-school uniform clothes.

**Roof Repairs
Important
Update**

Please note that next week
Tuesday 14th, Wednesday 15th
and Thursday 16th November

You will not be able to use the path at the front of the school to walk round to Nursery/Year1/Year 2.

For safety reasons this will it will be closed.

You will need to go through the main school playground to access the classrooms.

If you have any questions or queries please speak to Mr Davis.

**Safeguarding
If you arrive late...**

If you are late arriving to school please make sure to report to the main school office.

This is very important as if your child arrives after the registers have closed they will need to be marked in by a member of either the Pastoral Team or Office staff.

Punctuality is very important 5 minutes late each day = 3 days of missed learning over a year.

If you need support in improving your child's punctuality please speak to our Pastoral Manager Miss Akers.

Star Pupils

Ibrahim Adam and Fowzan Zahid

Taha Sharif and Amira Ali

Ellis Critchley and Elias Joseph

Humayra Azad and Eliza Shafiq

Production

21st December

Class Christmas Parties

22nd December

Last Day of School

8th January

First Day Back

On Monday, Year 4 visited the Roman Lunt Fort to learn new and interesting facts about the Romans. When we arrived at the fort, we had to use a secret password to enter.

During our visit, we learnt about life as a Roman soldier and their many different duties. Codie was lucky enough to try on the Roman body armour, helmet and shield and we also learnt what they were called in Latin.

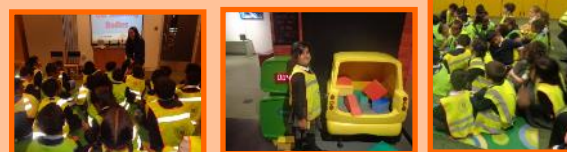

In the afternoon, we learnt how to fight like a real Roman soldier. We used a wooden shield and sword to attack the rotten Celts!

On Tuesday to launch our Science topic about our amazing bodies, Year 1 visited the Thinktank museum on. We explored the museum and discovered lots of amazing things! We also were involved in an amazing body's workshop and learnt all about senses and our internal organs.

We now know some of the important organs we have in our bodies and what their special jobs are. We have learnt lots and now ready to build on our learning at school.

The children behaved amazingly and have made Miss Tsang and Mrs Nizamis extremely proud! Well done Year 1!

thinktank
Birmingham science museum

On Wednesday, Year 2 visited the Thinktank in Birmingham. We went to explore the Planetarium as part of our space topic. When we were there, we sat in a dark room and looked up at the night sky. We saw twinkling stars and exciting planets. We were told interesting stories about some of the constellations and patterns in the stars. We also went up in a rocket and visited the moon and some other very interesting planets. We had a fantastic time and learned lots about space.

St. Clement's Stay & Play Wednesday's 9am-10am

'St Clement's C of E Academy is a good school where the behaviour and safety of pupils are outstanding' (Ofsted 2014)
