Serving the local community in the name of Christ since 1859

7th September 2018

Welcome back everybody!

I hope you all had an enjoyable summer.

There have been some changes at the Academy this term, with some staff having left and new people starting, but three days in and the children are already working hard and it has been fantastic to see them return with such enthusiasm and positive attitudes towards their learning. I think it is going to be another great year at St. Clement's and we will strive to continue to provide the best education for our pupils in a happy, safe and caring environment.

Next Wednesday is Parents' Evening. This will be an excellent opportunity for you to meet your child's new teachers and gain an understanding of the expectations for the year ahead. If you are able to do so, I would really encourage you to attend as families working together with the Academy results in better outcomes for our children. As ever, if you have any concerns or queries you wish to raise then please make an appointment to see Miss Akers or myself and we will help in any way we can.

Wishing you a peaceful weekend.

Acting Head Teacher

MEET THE TEACHER!

Wednesday 12th September 2018
from 3:30pm - 4pm

We are delighted to invite you to our first 'Meet the Teacher' workshop. This is an opportunity to see your child's classroom, meet and talk to their new teachers, discover what your child will be learning and discuss targets to help your child progress with their work. These meetings are a really important part of your child's education and way of re-enforcing to your child, the strong home school link.

If you require an individual appointment, please speak to your class teacher to arrange one for after 4pm.

We look forward to seeing you there.
