Our values focus this half term is **Compassion**

Hello everyone,

My name is Mrs. Khatri and some of you may know me from last year when I worked with Reception (the current Year 1's). I had the pleasure to join the St. Clement's team again back in January. I was truly overwhelmed by the warm welcome I received from the staff and children. Currently, I am working in Year 3 along with Mrs. Constantinou and Mrs. Akhtar.

I would like to take the opportunity to say a massive thank you to all the children at St. Clement's for being so understanding and respectful while Year 6 did their SATs exams this week. I would like to wish the Year 6 children all the best for their results. Year 2 SATs are starting next week (dates on the right), and I wish them all the best.

Also, don't forget to look super smart next week, as you will have your school photographs taken (see below).

Hope you all have a fun filled weekend!

PARENT WARNING

It has been brought to our attention that some children are accessing inappropriate sites on their devices at home.

Can all parents ensure that search engines are set so that over 18 websites cannot be accessed by children.

Not having these settings in place leaves children vulnerable to viewing sexualised and/or violent content.

Wed 18th: SPAG

Fri 20th: Reading 1

Safeguarding: Drug Taking

Cannabis can affect your mental health, especially if you take a lot. Smoking with tobacco increases risk from both drugs. Driving when stoned or high can double your chances of having a serious, or even fatal car crash.

England and Wales have a zero-tolerance approach to drug driving. This means you cannot operate a vehicle in a public place while you have illegal drugs in your system. This applies, even if you do not feel impaired.

If you want to stop taking drugs, your GP can tell you about the treatment options and services available. They can also refer you for treatment.

You can also get support and advice from other organisations.

Can you help?

Do you know who Mrs J. Jones is, or know anyone who might remember her?

We are asking as we have a bench in school that was presented to the children of the school almost 30 years ago by a Mrs J. Jones, but we don't know who she is.

If you can help, please let us know.

Nits: We currently have an outbreak of headlice in school - please can you make sure to check your child's hair and treat them and members of your family immediately if necessary.

Thank You
