Serving the local community in the name of Christ since 1859

16th March 2018

Hi Everyone.

My name is Miss Khatun and I am a SEN Teaching Assistant. Over the last term I have been working alongside Mrs Fox in year 5 which has been a great experience. As part of the school's SEN team I also work closely with our SENCo to ensure that we have the relevant support for our vulnerable children by delivering interventions across KS2 supporting children's learning and helping them achieve their personalised targets.

I have been at St. Clement's since 2013 and love the community spirit that surrounds the school, children and their families which is why I became a Governor in 2014.

Next week is International week – There will be lots to celebrate. Children will have the opportunity to explore the different cultures we have within our school and share their own heritage. We are hoping for lots of fun activities such as food tasting and children bringing in cultural clothes to share and talk about.

Don't forget to read the class blogs to find out what we are doing.
Wishing you all a safe and happy weekend!

Telephone Issues

So it appears we spoke too soon last week regarding our phones.

We would like to again apologise if you have had issues contacting school **as we are still experiencing issues.**

The issue is being worked on but we thank you for your patience during this time.

Parking Outside School

Just a little reminder to make sure you don't park on the zig-zags outside school when dropping off or picking up your children.

Can you also be mindful of local residents and not pull up in front of or on their drives so that they have continual access to their properties.

Thank you everyone for helping to keep our children safe and our local residents happy.

Safeguarding

Drawing for Talking enables children to express, in a visual form, worries and issues that may be impacting on them. By working with an adult children can find a resolution to some of the hurts and anxieties they may have.

Miss Akers has now completed the relevant training in Drawing and Talking and will be offering sessions to help children deal and move on from a variety of issues, such as; separation, illness/parental illness, incarceration, bereavement and other traumatic events.

If you would like more information regarding this please see Miss Akers.

Happy Mothers Day

Last week Reception, and Year 1 and Year 2 held a special afternoon tea assembly.

This assembly was to celebrate Mother's Day and the children shared painting, poems and songs.

We hope everyone that attended enjoyed themselves.
