Learning for Life, Anchored in Christ

At St. Clement's we ensure we educate our pupils on 'staying safe' and give them tools to become global citizens. To do this we use a variety of resources, teaching styles and agencies. Below is how we educate the children in some areas of safety. We will be posting more information regarding our curriculum coverage on the school BLOG and in future Newsletters. If you would like more information please see Miss Akers

Hi Everyone,

I am Mrs Price and I am the class teacher in Year 3. I have been at the school for the last 4 years and have enjoyed working with such fantastic children. I have recently taken on the role of SENDCo for the school which means I will be assisting you and your child with any additional needs they may have. If you have any concerns about your child's learning or want to discuss any additional needs then come and make an appointment to see me. I look forward to chatting and getting to know many more parents and families! Have a safe and relaxing weekend. Mrs Price
