Serving the local community in the name of Christ since 1859

2nd October 2015

Hello Everyone,

Another action packed week here at St. Clement's - the children are continuing to work very hard and have settled into this term very well.

A big thank you to the School Councillors and Miss Akers who helped prepare our Macmillan coffee afternoon last Friday. The children decorated biscuits to sell and we had donations of cakes from staff to help us raise money for Macmillan. It is a very worthwhile cause and if you turn over you will see how much you helped us raise.

We would also like to thank you for all your generous donations towards our Harvest Assembly today. It will all be donated to the Aston and Nechells Food Bank which helps those in need, especially with the winter months approaching.

Please make sure you take note of the important events coming up over the next few weeks a few of which are mentioned in the newsletter today.

Have a great weekend.

Food in School

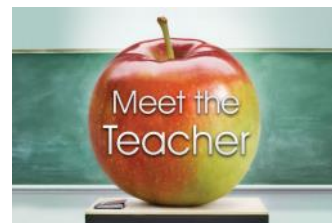

School Dinners & packed Lunch

Can we please remind everyone about lunch procedures. If you decide to change your child's lunch choices i.e. from lunches to packed lunch or vice versa, this will need to be for the week, not a day by day change. This is so there are no discrepancies with ordering the correct amount of cooked food from our suppliers. If you let the office know, they will inform the class teachers so there are no misunderstandings.

Snacks

Snack time-please only provide fruit for your child's snack. We follow a healthy food policy and biscuits, crisps, chocolate covered cereal bars or snacks are not appropriate. Children can purchase fruit from the tuck shop if required.

It's that time of year again when parent's evening is coming up.

Tuesday 13th October

This is an opportunity to meet your child's class teachers properly and have a chat about your child's successes as well as discuss targets for helping them achieve the best they can in their work.

This initial meeting is always a valuable time for parents, children and teachers. Look out for the appointment letters as appointments will be first come first serve basis.

Critters!

We have had an outbreak of headlice in school this week - please can you check your child's hair and treat them and members of your family immediately if necessary. Thanks! We do have nit combs available to buy from the office for £1.

School Council

I am happy to say that the school councillors are already working hard and we are only 4 weeks into the first term!

I want to thank them for their time and efforts helping out with the Macmillan coffee morning, the meeting we had with the school caterers and also for their continued efforts to help during the school day and with assemblies, including today's Harvest Festival.

I look forward to a fun filled year working with them all and would like to introduce the school councillors for Year 2 and 3 below with more to follow in the coming weeks.

Aspens

Dinner Menu Meeting...

School Council, Mrs Dowling, Miss Akers and Miss Greene met with Lisa from Aspens yesterday. Aspens provide our school dinners and the school councillors had discussed with the children in their class at length what changes they would like to see. We are excited and look forward to the new healthier menus that will be put in place.
