

The Anchor News

Serving the local community in the name of Christ since 1859

22nd September 2017

Hello and welcome to the weekly newsletter.

My name is Miss Akers and I am the school's Acting Pastoral Manager and Deputy DSL. I have been at St. Clement's for many years and am still amazed by all the fabulous achievements of our pupils and families.

As part of my role, I deal with issues relating to attendance, behaviour, families, housing, parent support and engagement, children's safety and community work. I also teach Personal, Social, Health and Emotional Education lessons (PSHE) across the school, where children learn about keeping safe, making friends and managing emotions, as well as a variety of other things.

I am also in charge of the St. Clement's Stay and Play, which takes place on Wednesdays from 9am - 10am. This is a great session for children and parents and I would like to thank all the families who support this weekly.

We have had a busy start to this academic year and the children have been working hard, learning new things and having fun! Remember to read the newsletter weekly, so you can keep up to date with important dates and announcements, but most importantly you can see the amazing achievements of the pupils of St. Clement's C. of E. Academy.

Miss Akers,
Acting Pastoral Manager

Monday 9th October - School Photographer

for INDIVIDUAL and FAMILY photos

Family photos
(to include children not at school and in Nursery)

8am - 9am

Individual and Sibling photos

9am onwards

Roof Repairs

Please be aware that the start date of our roof repairs has been moved to October. We will keep you informed of any changes and the new start date via the newsletter.

If you have any questions or queries please speak to Mr Davis.

Safeguarding

No talking through the railings...

During break and lunch times, when children are enjoying time with their friends, it is important that parents do not come to the school railings.

Staff are busy supervising children and children are taught not to approach the railings to talk to people for their own safety.

If you have any concerns regarding your child, please come into school where a member of staff will be glad to talk to you to resolve any issues.

Star Pupils

Maryam Awad and Noah Samuel

Joel Yonatan and Kaleem Rose

Ismael Ahmed and Carlos Jun Kit Lin

Mosara Adam and Nor Hassan

Mamadi Sanneh and Naden Ahmed

Sahand Hemn and Laiba Asif

Moussa Guihini and Daren Ahmed

Ayaan Khawaja and Erica Da Luz

Head Teacher: Des Ricketts
Deputy Head Teacher: Devina Shryane
Assistant Head Teacher: Jane Nizamis

Year 3 become archaeologists for the day.

Last Friday morning we started the day by looking at how we find out about the past from artefacts that have left behind. We had to work together and be very gentle to excavate the artefacts from sand. After brushing them clean, we had to decide whether they were from the Stone Age, Bronze Age, Iron Age or another time period. Once we had done this we set up a museum displaying making sure the artefacts were in chronological order.

In the afternoon we had the chance to experience what it might be like to live as a hunter-gatherer. We made an arrow using a flint arrow head, a stick and some string. Next we had a go at making flour from seeds, this was hard work and took over an hour and a half to get less than half a cup of flour fine enough to use! Next we had the chance to weave and use a spindle to spin wool. Our last activity of the day involved making bracelets using animal teeth and beads.

We all had a great day and can't wait to find out more as we work through our topic about the Stone Age.
