

St. Clement's C of E Academy Curriculum Intent

At St. Clement's we deliver a diverse and exciting curriculum that inspires happy, courageous, independent, curious and creative life- long learners. So that all achieve their full potential, striving academically and socially with humility and dignity. We believe being anchored in Jesus Christ will guide us with hope, compassion and wisdom in becoming successful members of a global community.

Learning for Life, Anchored in Christ

Values 	Learning behaviours 	British Values	
Dignity - You shall love your neighbour as yourself. There is no other commandment greater than these Mark 12:31	Respect	Independence	Democracy
Hope - I can do everything through Him who gives me strength Phillipians 4:13			
Courage - The Lord Himself goes before you and will be with you; He will never leave you nor forsake you. Do not be afraid; do not be discouraged Deuteronomy 31:8	Perseverance	Collaboration	Rule of Law Tolerance
Service - Each of you has been blessed with one of God's many wonderful gifts to be used in the service of others. So use your gift well Peter 4:10			
Compassion - The LORD is gracious and righteous; our God is full of compassion Psalms 116:5	Resilience		Mutual Respect
Humility - Be completely humble and gentle; be patient, bearing with one another in love Ephesians 4:2			

RE	Maths	English	Science	Computing
R.E has a significant role for the development of pupils' spiritual, moral, social and cultural development. It promotes respect and open-mindedness towards others with different faiths and beliefs and encourages pupils to develop their sense of identity and belonging through self-awareness and reflection.	To ensure that pupils become fluent in the fundamentals of maths, know and can confidently apply key skills and reason mathematically.	To ensure a quality English curriculum that develops children's love of reading, writing and discussion. We aim to inspire an appreciation of our rich and varied literary heritage and a habit of reading widely and often.	To ensure pupils' knowledge and understanding of our world, and with developing skills associated with Science as a process of enquiry. It will develop the natural curiosity of the child, encourage respect for living organisms and the physical environment and provide opportunities for critical evaluation of evidence.	To ensure that the pupils are confident and competent users of technology both now and throughout their lives. To develop critical thinkers that can solve problems and responsible, respectful and safe users of data, information and communication technology.

Engage	Develop	Innovate	Express
 <p>Let's think! Engage learners through stimulating activities that have purpose making use of the environment and the community.</p>	<p>Let's Learn! Develop learner's knowledge, skills and understanding through high quality teaching.</p>	<p>Let's Explore! Innovate allows children to use and apply their knowledge, skills and understanding through a process facilitated with a knowledge provocation.</p>	<p>Let's Apply and Reflect! The opportunity for children to express their learning and share their understanding with others.</p>

EYFS	PSED	Communication and language	Physical Development	Literacy	Mathematics	Understanding the world	Create Arts and Design
Through the EYFS framework, our curriculum intent is to provide a practical and playful approach to learning, encouraging pupil's independence, exploration and challenge. The Characteristic of Effective Learning are at the heart of the EYFS curriculum with the intention of building upon children's ability to learn and acknowledging that they learn in a variety of ways. All the learning experiences that are planned allow pupils to develop their skills and to access the curriculum independently.							

KS1/KS2	Humanities History and Geography	Creative Arts Art and Design Technology	Physical Education	PSHE	Music
	Teachers ensure both cross curricular and direct teaching approaches of themes of the humanities curriculum, to ensure exciting, stimulating and subject rich teaching is occurring.	It will develop children's critical abilities and understanding of their own and others' cultural heritages through studying a diverse range of artists and designers.	Physical fitness is an important part of leading a healthier lifestyle. It teaches self-discipline and that to be successful you must work hard, show resilience and have the determination to believe that anything can be achieved.	Jigsaw programme for PSHE perfectly connects the pieces of Personal, Social and Health Education, emotional literacy, social skills and spiritual development.	Children will perform, listen to, review and evaluate music. Be able to understand and explore how music is created, produced and communicated.
