Lest We Forget

Serving the local community in the name of Christ since 1859

7th November 2019

Learning for Life, Anchored in Christ

REMINDER: School is CLOSED tomorrow (Friday 8th November) for a Teacher Training Day

Hi there, for those of you who do not know me, my name is Miss Chidler. I teach Year 3 at St Clement's. I hope you have all had a relaxing half term and feel refreshed for the term ahead.

We have lots to look forward to this term, beginning with Anti-bullying week, Remembrance Day and finally Christmas! As well as all the other exciting learning opportunities taking place. I know Year 3 are already really enjoying our new topic of Tremors where we put on our science hats and investigate different types of rocks.

The value of this half term is 'Hope', as a school we will be thinking about our hopes for ourselves, our community and the world.

I hope that you all have a brilliant half term and get stuck into all the wonderful clubs on offer!

Have a great weekend,
Miss Chidler

Our values focus this half term is

Hope

This weekend is Remembrance Sunday where we will remember all of those that have lost their lives in the war.

We will be holding our own Remembrance Assembly followed by 2 minutes silence on Monday.

Lest We Forget

Cold Weather

The weather is taking a turn for the colder so it's time to make sure those coats, hats, scarves and gloves are on. The teachers will make every effort to ensure your child keeps their coat on outside but a quiet word from yourselves will also help (it's amazing how they seem to not feel the cold!)

Also if you could check that these items have your child's name and class inside, this will speed up the process of finding them again when they do take them off and leave them lying around.

This term we will be raising money for both Children in Need and Stand Up To Cancer. Look out for more information next week!

Head Teacher: Miss Shryane
Assistant Head Teacher: Mrs. Nizamis
Assistant Head Teacher: Mrs. Fox

REMINDER: School is CLOSED tomorrow (Friday 8th November) for a Teacher Training Day

Star Pupils

Maya & Muhammad B.

A. Rashid & Mariam

Kye & Arooj

Musa & M. Osman

Mahmood & Sara

Zainab & Kaeb

Ayisha & Eghlls

M. Ayaan (Y1) & Qu'wana (Y5)

Lunchtime Star Pupil

Ayman (Y2)

CHANGE OF DAY

Please note next week's Star Pupil assembly will be on **TUESDAY** as we will be having our Remembrance Day Assembly on Monday

Aldi Tokens

We are still collecting the Aldi school tokens. The box is in the parent waiting area so please keep them coming in.

The Sun Tokens - Starting Soon -

Just to let you know that we will be collecting tokens from this upcoming campaign.

The tokens will be printed in The Sun and The Sun on Sunday between Sat. 23rd Nov 2019 and Sat. 18th Jan 2020.

The reporting team for ITV News came into school before the half term and filmed a report regarding sugary foods. The team recorded the academy Breakfast Club and interviewed some children. Sadly, there was an error in communication and apparently the segment regarding the academy was aired on Monday 4th November. You should be able to access this via the ITV News website.

Stay and Play - Reminder!

Stay and Play has now finished. We are looking at the needs and wants of our school community and to see how we can develop this session. Please keep a look out for more information. If you would like to talk to a staff member regarding Stay and Play please see Mrs Sidhu.

A penny saved is a penny earned.

- Safeguarding: Budgeting -

As Christmas approaches, it is a time we find ourselves spending more and trying to budget for what can be a busy and expensive time of year. Teaching children about money management is vital as these early lessons can give them the skills and knowledge to avoid debt when they are older.

Wise financial planning encourages wise spending and saving for the future. Learning smart spending habits early can have a great impact in later life. The financial lessons children learn today will last well into adulthood.

Shopping: This is a great opportunity to teach kids about comparison shopping. Teach children how to shop by value rather than brand. Remember to always shop with a list!

Pocket Money: Giving children regular pocket money can be a great opportunity to teach them the basics of earning, spending, and saving. Parents can also use this to help children learn the difference between wants and needs.

Bank/Saving Account: Many banks offer parents the opportunity to open an account in their child's name. Owning and maintaining an account helps children learn important life skills.

There are many ways to teach children about money. The most important thing parents can do is to communicate with their children about managing money and budgeting. Parents should offer several examples of how money is earned and give children an opportunity to help decide how it is spent. And, most importantly parents need to educate children about the dangers of overspending, borrowing too much, and paying high interest.
