## # Learning for Life, Anchored in Christ

Hello everyone,

My name is Naz and I am the office manager. I work alongside Miss San and together we ensure the smooth and efficient running of the school office. I have been working here for the last 9 years and so far have enjoyed every minute. If you need any help, with anything, please come and see us, or even if you want to pop in and say Hello!

This week marked the start of Lent where the children will learn why it is so important to Christians and how it relates to Easter.

Enjoy the weekend

Mrs Ajmal  
Office  
Manager

### A visit to year 3 for some animals...

Yesterday Year 3 had a really exciting morning! We had a few very special visitors including a tortoise, gecko, hedgehog, cockroaches, an owl and even two snakes!

Year 3 really enjoyed meeting all the animals and getting the chance to hold them. Even if it was a bit scary (like the cockroach) everyone had a really good try and showed our termly value of courage!

We are now so excited to continue learning about different animals during our science lessons.

### Safeguarding: Operation Encompass

Operation Encompass is a project between schools and West Midlands Police. Encompass is the reporting to schools, prior to the start of the next school day, when a child or young person has experienced, any domestic abuse.

Operation Encompass will ensure that a member of the school staff, (DSL) is trained to allow them to liaise with the police and to use the information that has been shared, in confidence, while ensuring that the school is able to make provision for possible difficulties experienced by children, or their families, who have been experienced a domestic abuse incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.
