Serving the local community in the name of Christ since 1859

13<sup>th</sup> October 2017

There will be **no** Football club, Arts and Crafts or Youth Club after school on **Thursday 19th October**. Please collect all children at 3:15pm. Thank you

Hello everyone,

My name is Mr Burton and I am the School Sports Coordinator. I have been lucky enough to work at St. Clement's for just over five years now and I work with all the wonderful children in the school. This term has been another busy term for us with all the children enjoying their topics as well as tournaments which we are doing very well in.

Lucky for me the fun doesn't end this half term because myself, and a number of our fantastic staff will be part of our holiday club during half term. **We still have places available so if you would like your child to take part then come into the office and sign up!**

I hope you all have a wonderful weekend and get involved with lots of outdoor fun.

## No Old £1 coins from Monday

From Monday 16th October, we will no longer be accepting the old round £1 coins as they are no longer in use.

Everyone can trade in the coins after the 16th October at banks, building societies and post offices. But we advise you not to accept the old coins in change after Monday and instead to ask for new, 12 sided coins.

If you do have any left after Monday the Poppy Appeal will happily accept them for poppies up until Remembrance Sunday.

## Book Bags and Reading Diaries

### Please check and sign

An important part of homework for children is to take books home to read with someone in their family every night - older brothers and sisters are usually very good at this. **We ask that family members to write in the Reading Diary to tell us how the child's reading is going and whether they have had any problems or successes.**

Please also make sure to check your child's reading bag everyday for information sent home by teachers, especially on a Friday when the school newsletter is sent home.

# THANK YOU!

## Year 4 trip to a local Synagogue

On Tuesday morning, year 4 visited Singers Hill Synagogue as part of our religious education topic Judaism.

When we entered the synagogue we were able to find different Jewish symbols and we even found mezuzahs on each door.

During our visit we were able to explore the luxurious synagogue to learn about Jewish history and traditions.

Some children wore kippahs on their heads and a special prayer shawl. We were able to see inside the ark and we looked at the Torah scrolls.
