Dignity

Hello,

My name is Mrs Price, and I am the Year 5 teacher. This term the children have settled so well and are really enjoying learning all about the Ancient Egyptians! Year 5 have been fantastic historians finding out lots of information about Gods, Pharaohs and pyramids!

I am also the SENDCo for the school, which means that I support children with additional needs to access their learning. If you have any concerns about your child, then please contact the office to arrange a meeting with me.

Thank you,

Mrs Price, SENDCo & Year 5 Class Teacher

Sunflower Drawings Needed...

Thank you to those who have handed in their sunflowers already. I'm still looking for more to brighten up the room.

Please hand in your artwork to your teacher, who will pass it on to me. I look forward to seeing them all and putting them up for all to see.

Mrs Price

We would like to say a huge thank you to everyone who has donated to our recent appeals for donations for both the Afghan Refugees and our Harvest Festival.

You have all been really generous and we appreciate all that you have donated. Next week we will be able to share more information and photos from both collections.

UNICEF Rights of the Child

Article 15:

(freedom of association)

Every child has the right to meet with other children and to join groups and organisations, as long as this does not stop other people from enjoying their rights.

Article 24

(health and health services)

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this.

Article 26

(social security)

Every child has the right to benefit from social security. Governments must provide social security, including financial support and other benefits, to families in need of assistance.

Safeguarding: Roblox Squid Game

It has been brought to our attention that Roblox has a game that is a replica of 'Squid Games'. Children have been discussing the game and playing it.

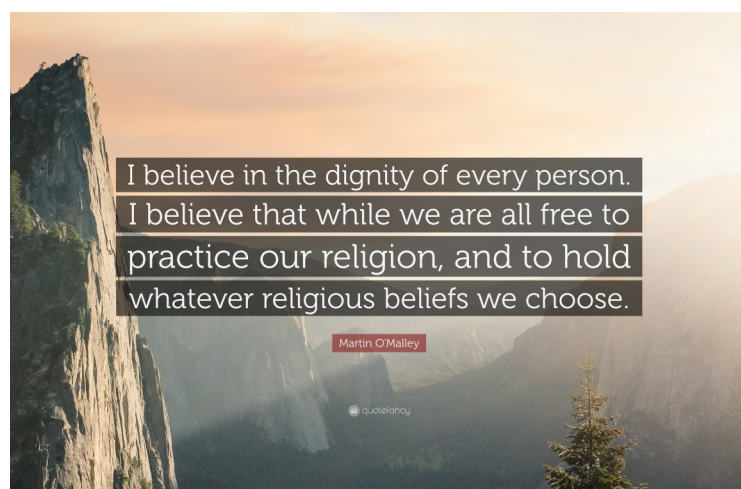

This game is not suitable for children (under 18) and we encourage parents to have knowledge of what their children are accessing on gaming sites.

Also, a reminder that 'Squid Games' the Netflix show is for adults. We are concerned that children have come into school knowing about the show and discussing 'what happens'.

Please ensure you follow age restrictions and guidance when letting children access TV shows and/or games.
