Hello,

For those who don't know me I am Mrs Nizamis the Deputy Head Teacher at St Clement's. My role includes leading Teaching and Learning, Maths leader and I am a DSL.

We have come to the end of another busy week at St. Clement's and this week we have been excited to welcome parents back into school for our first parents evening of the year! It was good to see so many parents attending and showing support for children and school. Keep an eye out for future parent partnership information as we are planning parent workshops across the year for all year groups as well as some other exciting events!

This week we are launching our enrichment Friday afternoons where the children select an activity, they'd really like to do such as multi-sports, musical instruments, Art and so much more.

I wish everyone a safe and restful weekend.

Hello,

For those who don't know me I am Mrs Nizamis the Deputy Head Teacher at St Clement's. My role includes leading Teaching and Learning, Maths leader and I am a DSL.

We have come to the end of another busy week at St. Clement's and this week we have been excited to welcome parents back into school for our first parents evening of the year! It was good to see so many parents attending and showing support for children and school. Keep an eye out for future parent partnership information as we are planning parent workshops across the year for all year groups as well as some other exciting events!

This week we are launching our enrichment Friday afternoons where the children select an activity, they'd really like to do such as multi-sports, musical instruments, Art and so much more.

I wish everyone a safe and restful weekend.

Class Email Addresses...

Thank you to all the parents for coming into school for the meet the teacher session. I hope you found this informative. We are looking forward to inviting parents into school more often this year for workshops and celebration events.

If you have any questions for your child's class teacher at another time, we do have class emails that you can contact the teacher on directly. For general school enquiries feel free to contact on the school email address.

PLEASE NOTE: It is important that you DON'T use this to report pupil absence. You still need to phone school to let us know when a pupil is going to be absent.

Attendance Matters

Every student. Every day.

Attendance for all classes should be greater than 96%. Lets see which classes can get higher than the target!

Safeguarding

Jigsaw is a mindful approach to PSHE, which integrates personal, social, health and economic education with a focus on emotional literacy, mental health and spiritual/cultural development. Jigsaw teaches children to become aware of their thoughts and feelings and enables children to talk confidently about their emotions and matters important to them. Jigsaw aims to help children know and value who they really are and how they relate to other people in this

There are six topics within Jigsaw. **Being Me in My World, Celebrating Difference, Dreams and Goals, Healthy Me, Relationships and Changing Me.** Alongside Jigsaw, Personal Development Sessions are delivered weekly. These sessions look further into mental health strategies, mental ill health, self-esteem, neuroscience, inclusion and many other areas that support children in developing coping skills for the future.

A parent workshop will be held to discuss the Safeguarding, Jigsaw and Personal Development curriculum, so keep a look out for a date and time. Before then, if you would like to speak to someone regarding these lessons, please see a member of the school SLT.
