Our values focus this half term is

Forgiveness

Hi everyone,

My name is Mrs Sidhu and I have been working at St. Clement's for some time now as a Learning Mentor within the Pastoral Team.

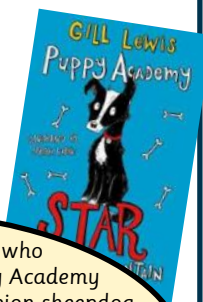

I have always loved working with the children and enjoy seeing the progress they make throughout their time at St. Clement's and knowing they are doing well gives me great satisfaction.

Star is a Border Collie puppy who attends the Sausage Dreams Puppy Academy for working dogs. Her mum is a champion sheepdog, and Star can't wait to follow in her footsteps. Unfortunately, when she begins her basic training it doesn't quite go to plan!

I won't spoil the story by telling you any more but I really enjoyed the story.

Red Nose Day Update...

We raised over £350!

We would like to thank you for all your support of our 'RED NOSE DAY' fundraising. Everyone appeared to have a great day and I am happy to announce that we raised **£357.95**, as a result of the Red Nose sales (We sold 8 boxes of Red Noses – the most we have ever sold due to huge demand from children and parents.), Cake sale and our Dress in Red day.

There were some excellent jokes from children all through the school but we would also like to Congratulate, M. Hamza (Rec.), Sienna (Yr1), Mia (Yr.3) and Selah (Yr.6) who submitted the winning jokes, in our 'Can You Make St. Clement's Laugh?' competition. A special mention also goes to Ayaan R. (Rec.), Joel (Yr.2), Rehaan (Yr.3) and Carmen (Yr.5) who were runners up. All winning/runner up jokes can be seen on our Instagram/Twitter.

Again, thank you so much for all your contributions and support as without you we couldn't do it.

UNICEF Committee,
Mrs Austin-Smith and Mrs Akers

Safeguarding: WHAT IS 'FAKE NEWS'?

Fake news can be false information, photos or videos purposefully created to confuse or misinform. It can also be genuine information that has been manipulated to deceive. It is important that we learn how to distinguish between real news and fake news.

DOES IT SOUND REAL?

Many fake news stories are written with appealing headlines and have content designed to create 'shock value' in order to spread like wildfire. Typically, fake news will include topics such as the 'death' of a famous person, company giveaways, news relating to supernatural events, or terror related posts that provoke a reaction. Have a look at other news sources to see if a story has been widely reported before sharing unsubstantiated claims. You can also check facts at websites, including snopes.com and factcheck.org.

Read more than just the headline!

Some news sites will post stories with 'click bait' headlines to grab your attention and make you click on them. These headlines might not even be relevant to the story. Studies show that almost 60% of links that people have shared on social media have never actually been clicked before sharing, so it's really important that you read the article first before you share it to make sure the news is real.

Last week, Year 6 visited the Art Gallery as part of their topic 'Gallery Rebels'. The children explored the galleries and observed and discussed various paintings. The children were very keen to look at the paintings from the 16th and 17th Century. They particularly enjoyed the religious paintings from this era. They then spent the afternoon sketching their favourite paintings and sculptures.
