#LearningforLifeAnchoredInChrist

Our values focus this half term is

Courage

Hi everyone,

I'm Mrs Zamir and I started working at St. Clement's in January. I want to start off by saying how amazing and welcoming all the staff, children and parents at St. Clement's are. I am having a wonderful time working with the Early Years team and how can I forget the children in Reception, with their lovely little personalities and beautiful smiles as soon as they walk in. It will be a lovely experience to see how the children blossom throughout the year.

Internet Safety Day was on Wednesday and we were learnt about the importance of keeping safe online. Remember to stay safe and we are always here to advise and support in any way we can.

Finally, I know you will all be disappointed that we've had to postpone Hero Dress Up Day but this just gives you an extra week to get your outfits ready. I look forward to seeing them all next Friday 25th to help raise money for charity.

Hope you all have a good weekend.

Mrs Zamir - Reception Teaching Assistant

BRAVE THE SHAVE

Kayson and Mom are braving the shave, with Kayson cutting off half of his hair and mom ALL of hers, to raise money for a family member with Cancer.

Anyone who would like to sponsor them can do so via the school office or Kayson's Mom.

Safeguarding: Knife Crime

**'Just 30 seconds can change a life -
The choice is yours'**

#LifeorKnife

The life or knife website is aimed at all young people, parents and teachers. It provides you with information on where to report or talk to someone about knives and where you can anonymously dispose of knives. It also includes lots of information on the devastating impact knives can have to you and others, guidance on how to talk to your child about knives, and resources that can be used in schools. This year the Chief Constable and the Police and Crime Commissioner pledged there would be 'a conversation with every child,' in the West Midlands about knife crime. Backing up that pledge is a new campaign from the force. The #lifeorknife campaign, which has been informed by the region's school children, teachers, police officers, doctors, paramedics and members of the Police and Crime Commissioner's Youth Commission, encourages children to talk about knife crime with parents, teachers and peers.

In England, it is illegal to:

- Sell a knife to anyone under 18, unless it is a knife with a folding blade that is three inches long or less
- Carry a knife in public without good reason, unless it is a knife with a folding blade that is three inches long or less
- Carry, buy or sell any banned knife
- Use any knife in a threatening way, even if it is a legal one

More information can be found by visiting
<https://lifeorknife.west-midlands.police.uk/>

At the academy we educate pupils about Knife Crime through our PSHE and Personal Development Sessions. Also, we work closely with our PCSO Team and NHS Services to provide our pupils with a range of information about making good choices and the impact of knife crime. Sessions in KS2 are delivered by our PCSO Team and school staff together and we provide training for staff in tackling this issue and support people impacted by knife crime.

If you would like further information regarding how we educate pupils on this matter, then please see a member of SLT.

Day

Parent Consultations

4th - 7th April

We will be making parent consultation phone calls during the last week of term, where you can catch up with your child's teacher to see how they are getting on and have any questions you may have answered. Look out for an appointment letter coming soon.

Can we remind you to be mindful of others. We have had complaints regarding parents smoking outside the school gates whilst children and parents are coming in and out of school. Please can we ask that you do not smoke close to the children or school gates.

Problem Parking!

We have had several complaints from local residents of Butlin Street and Stuart Street about inconsiderate, dangerous and illegal parking that happens when children are dropped off and picked up.

Driveways in the area must never be blocked in anyway, pavements must not be parked on, even partially, road junctions must not be obstructed and zig zags never stopped on.

UNICEF Rights of the Child

COMPETITION TIME

We want you to design a poster that includes an article from the Conventions on the Rights of the Child.

Make it catchy and colourful.

Our UNICEF team will choose the best 3 to be published on our school blog

Please hand your entries into Miss Khatun or your class Unicef Rep by Friday 25th March 2022

Example Poster

Article 24 says that, "Governments must work to provide good quality health care, clean water, nutritious food and a clean environment so that children can stay healthy"
