Serving the local community in the name of Christ since 1859

13th January 2017

"The assembly hall of St. Clement's C of E Primary School in Nechells has been decorated with the themes of Creation, words of scripture and imaginative images of children in the world. Most of the pupils in the school are Muslims, as is the artist. There is a striking painting of a giraffe, patterned with the global map, standing beside a large wooden cross. The most visible written word is joy.

This school is a shining example in inner city Birmingham of the Church's provision for wider communities providing good all round education in the context of faith."

An extract from the 2017 New Year's message by David Urquhart, Bishop of Birmingham

'Collection of Pupils at home time'

We are having a number of parents coming to the school to pick up their child/ren early at home time.

This disrupts the lessons and also assemblies which normally take place at the end of the school day. Please could you try and make medical appointments outside of school hours to keep disruptions to a minimum.

If medicals cannot be avoided, then please ensure you inform the office as early as possible.

MONDAYS ONLY

Could we ask all parents to please bring Dinner Money in on a **Monday** only. Money must be provided in a sealed envelope with your child's name, class and amount written on the front.

We are unable to accept money on any other days due to banking or issue any change.

Receipts will be handed out on Mondays only.
